JULY 7, 2024 FOURTEENTH SUNDAY IN ORDINARY TIME

## Fr. Molini's Notes

### July and Closing the Books

Like many organizations, our parish operates its finances on a “fiscal” year, closing one year on June 30 and opening a new year on July 1. While final tabulations take a few weeks to complete, thanks for your generosity to our parish and school. This period of time is always a good opportunity to review our past practices and look forward to plans for the year.

Some items we have worked on this past year include:

- Parking lot exterior door to the cafeteria as well as interior fire doors
- Improved intercom system in the School
- Improved cameras for security
- Photo Directory for parish is almost completed and soon to be delivered
- Stage curtains have been ordered
- New doors for the gym entrance off Jamieson
- Pastoral Council document updated and new members added
- A new cleaning company hired for the school
- Exterior church lights are being refurbished

Some items for the coming year include:

- Ongoing repairs for HVAC systems (many units are approaching the end their expected service life)
- Continued discussion about the parking lot renovation
- Discussion about church painting and carpet replacement
- The annual Parish Directory is being updated now – call the office with any changes
- The School is working on its regular “School Improvement Plan,” a process for every parochial school that occurs every seven years or so

Thanks to all for your continued support. It takes everyone's support and participation to make the parish successful.

### Personal News

I'm not a big fan of sharing personal news in this manner (the bulletin) but I wish to stop any dramatic rumors that seem to develop against one's best efforts. While the tremor in my left hand was initially diagnosed as an “essential tremor” and thought benign, further investigation has diagnosed it as Parkinson's disease. My doctor was great with the information and immediately added: 1. You don't die from Parkinson's. 2. There is a medication to help reduce the tremor. 3. I am in the very early stages and have many good years ahead of me. Translated: I'm not going anywhere. (Well, this weekend I'm actually on a family vacation so you won't see me around.) My doctor has urged me to remain active and keep exercising to help address the progression of the disease and being in two busy parishes will help with that – amazing how God's Providence works. For now, your prayers are the best gift. I'm surrounded by good friends and good people so let's trust in God's mercy and live with joy the gift of life.

In today's first reading, the Holy Spirit entered into Ezekiel to give him the strength to go and address the Israelites. The Holy Spirit also graciously works through us when we visit our neighbors in need. Some of them have hardened their hearts through experiencing excruciating times. The Holy Spirit leads us to assist them both monetarily and spiritually. At times, when we have asked them to pray with us, we witness the joy and peace that overcome these most vulnerable neighbors when we pray together. Thank you for making our journeys possible through your prayers and generous donations.

This weekend's Sacred Scripture readings:

**Sunday, July 7:**  
Ritual Song: No. 1234  
Pray Together: Page 38

*"As the Lord spoke to me, the spirit entered me and set me on my feet, and I heard the one who was speaking say to me, 'Son of man, I am sending you...'"* Ezekiel 2:2-3

God has a plan for each of us. He calls us to do something for Him, but He doesn't leave us on our own to figure it out. He gives us the resources we need to do His work. Are we listening for God's call? When we hear it, do we get on our feet and do the work He asks of us? Do not be afraid. God doesn't call the equipped; he equips the called. Answer His call.

### Care for Creation and Stewardship of the Earth

The Catholic Church has a well-documented tradition of Care for Creation and Stewardship of the Earth. We will feature resources intended to serve as an introduction on this issue. This is just one element of our Catholic teaching that highlights this tradition.

*On the Development of Peoples (Populorum Progressio), Pope Paul VI, 1967*

“Already on the first page of Sacred Scripture we read these words: ‘Fill the earth and subdue it.’ (Gn1:28) By these words we are taught that all things of the world have been created for man, and that this task has been entrusted to him to enhance their value by the resources of his intellect, and by his toil to complete and perfect them for his own use. Now if the Earth has been created for the purpose of furnishing individuals either with the necessities of a livelihood or the means for progress, it follows that each man has the right to get from it what is necessary for him. The Second Ecumenical Vatican Council has reminded us of this in these words: ‘God destined the Earth with all that it contains for the use of all men and nations, in such a way that created things in fair share should accrue to all men under the leadership of justice with charity as a companion.’” (No. 22)

### Our Parish Mission Statement

We, the parish of Saint Raphael the Archangel, celebrate Jesus as the center of our life. Through our active participation in the Eucharist, we strive to recognize Jesus in our daily lives and the lives of others. Our commitment is to grow as a parish family, and live this through our religious, educational, social, and civic involvements, witnessing to all, our faith in God the Father, Son, and Holy Spirit.

Today is Donut Sunday! Please join your fellow parishioners for a donut after the 9:00am Mass. If you attend 4:30pm Mass, please return on Sunday for a donut and fellowship. We look forward to seeing you! This Donut Sunday is hosted by the Donut Gang.
