## 28<sup>TH</sup> SUNDAY IN ORDINARY TIME

They were exceedingly astonished and said among themselves,  
"Then who can be saved?" Jesus looked at them and said,  
"For human beings it is impossible, but not for God.  
All things are possible for God." - Mk 10:26-27

OCTOBER 13, 2024 TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

# WHERE DOES IT SAY THAT?

The Pro-Abortion Initiative Petition seeks to amend the Missouri Constitution and legalize abortion throughout ALL stages of pregnancy.

## What it does.....

### THREATENS PARENTAL RIGHTS

By using "person" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

### PUTS WOMEN AT RISK

Current Missouri laws\* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed and to administer medication abortions in person in case of complications for the woman. These health and safety standards could be seen as an "interference" or "delay" and be eliminated, making it even less safe for women seeking an abortion.

### ALLOWS FOR ABORTIONS INTO THE SECOND AND THIRD TRIMESTER

The amendment allows abortions at any time to protect not only the physical, but also the mental health of the woman. This means that a health care provider could justify a late-term abortion due to a woman's "emotional, psychological, [and] familial" concerns\*\*. An abortion provider would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

### IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this petition.

## What it says.....

1. This Section shall be known as "The Right to Reproductive Freedom Initiative."

2. The Government shall not **deny or infringe upon a person's fundamental right to reproductive freedom...**including but not limited to prenatal care, childbirth, postpartum care, birth control, abortion care, **miscarriage care**, and respectful birthing conditions.

3. The right to reproductive freedom shall not be denied, interfered with, delayed, or otherwise restricted unless the Government demonstrates that such action is justified by a compelling governmental interest achieved by the least restrictive means. Any denial, interference, delay, or restriction of the right to reproductive freedom shall be presumed invalid.

4. Notwithstanding subsection 3 of this Section, the general assembly may enact laws that regulate the provision of abortion after Fetal Viability provided that under no circumstance shall the Government deny, interfere with, delay, or otherwise restrict an abortion that in the good faith of a treating health care professional is needed to protect the life or physical or mental health of the pregnant person.

....

8. For purposes of this Section, the following terms mean:  
(1) "Fetal Viability", the point in pregnancy when, in the good faith judgment of a treating health care professional and based on the particular facts of the case, there is a significant likelihood of the fetus's sustained survival outside the uterus without the application of extraordinary medical measures.

*"It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God." MARK 10:25*

Jesus uses tough language that we may not want to hear. However, we are all called to be generous with all of our gifts. Not just the ones we pick and choose, but all our gifts, and especially the one that means the most to us! That includes our time in prayer to God, our talent in participating in parish ministries, and our treasure supporting our local parish and other charities.
