St. Vincent de Paul

Today's Gospel reminds us of how courageously Bartimaeus begged and cried to Jesus to have pity on him. It takes courage for our neighbors in need to call us for help. At times they feel that they are begging and asking us to have pity on them. It is in those times that we accept and love them in their weaknesses, in their fears, and in their despair. Your fervent prayers and donations help us to relieve their pain and suffering.

Saint Raphael the Archangel Ladies' Club

Advent by Candlelight

Sunday, December 8 | 5:00 pm | SRA Gymnasium | 6000 Jamieson Avenue

Advent by Candlelight is an invitation for women to step away from hectic Christmas activities and focus on the inner preparation which is the purpose of the Advent season in readying our hearts and homes to receive the gift of the infant Jesus.

The evening opens with hostesses greeting their guests and general visiting. It continues with a short prayer service, followed by sharing of light appetizers or dessert provided by each hostess for her table and concludes with a guest speaker. This year, we are excited to welcome Jen Ryan as our guest speaker. Jen has a MA degree in Counseling and is a Licensed Professional Counselor. She has worked in lay ecclesial ministry for 17 years as a youth minister, clinical therapist, college campus minister, and parish pastoral associate. Jen currently works at Kenrick-Glennon Seminary as the Director of Pastoral Education and Evangelization.

Please consider being a table hostess and treating your friends, relatives or neighbors to this special event. The duties of a table hostess include reserving a table, inviting up to 7 guests (8 people per table), decorating your table and providing table settings with light appetizers/desserts for your guests. More details will be given to each hostess. We are encouraging hostesses to keep their food very simple to align with our desire to offer a less stressful, more peaceful and enjoyable evening among friends. This is a FREE event, but we will be collecting for a local charity if you would like to contribute that evening.

****NEW**** Please arrive at 4:45pm if you would like extra time to admire the decorated tables before the program begins.

Statement of the Missouri Catholic Conference on Amendment 3 (Constitutional Right to Abortion)

We, the Catholic Bishops of Missouri, are committed to protecting the sanctity of human life in every circumstance and every stage of development. In Missouri, the dignity of life in its earliest stages is being threatened by Amendment 3, which will appear on Missouri's November 2024 ballot. This proposed amendment to our state constitution is an extreme proposal that would allow full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain.

The proposed amendment would effectively eliminate common-sense state regulations that have protected Missouri women for years. These include health and safety requirements for abortion clinics; the requirement that only a medical doctor be allowed to perform abortions in the state; and that parents of a minor be notified before she can have an abortion.

Amendment 3 would allow for unregulated abortions until viability—approximately six months into a pregnancy. After viability, the proposed amendment would create a broad mental health exception that a healthcare provider could exploit to allow abortion in the 7th, 8th, or 9th months of pregnancy.

Amendment 3 would also prohibit any type of penalty for someone who assists a person in "exercising their right to reproductive freedom". This broad protection would prohibit women and families from suing an abortion provider who harms them.

The legalization and deregulation of abortion would represent a tragic step backward in our work to protect all human life at all stages. For these reasons, we urge Catholics and all persons of good will to oppose Amendment 3.

The Truth About **Abortion** & **Women's Health**

Abortion does not save women's lives.

Abortion is the **direct** and **intentional** killing of a child in the womb.

Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication.

Outlawing abortion will not affect treatment for miscarriage.

Treatment for miscarriage and abortion is not the same thing.

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has *already died*.

While the same surgery is done to perform an abortion, abortions impose this procedure on a **living child** with the **intention** of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.¹

Ectopic pregnancies result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.²

If you or someone you know is struggling after involvement in an abortion, the Church offers confidential, compassionate help through Project Rachel Ministry. Visit www.hopeafterabortion.org for more information.
