CATHOLIC CHURCH

OCTOBER 6, 2024 TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

## 27<sup>TH</sup> SUNDAY IN ORDINARY TIME

He said to them in reply, "What did Moses command you?"  
They replied, "Moses permitted a husband to write a bill of divorce  
and dismiss her." But Jesus told them, "Because of the hardness of  
your hearts he wrote you this commandment. But from the beginning  
of creation, God made them male and female." - Mk 10:3-6

OCTOBER 6, 2024 TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

## Fr. Molini's Notes

### October and the Rosary

For some time, the month of October has been a time to consider the powerful tool of the Rosary, asking the Blessed Mother to “pray for us” before her Beloved Son. In a world where so many tasks are mundane and repetitive, it is a great comfort to use the gentle repetition of the prayers of the Rosary to focus our attention on the Mysteries of our Salvation. From the youngest child to a senior citizen, the Rosary reminds us that God remains accessible to us all. In times of struggle, it brings soothing comfort. In times of conflict, peacefulness. Whether prayed alone or with others, it unites us as people of faith, trusting in the loving compassion of our Mother Mary who directs us always to her Son. Consider picking up your Rosary this month, especially if it has been a while. Allow the embrace of prayer to lift your heart to Jesus and renew this relationship of love.

### OCIA

The “Order of Christian Initiation of Adults” is the process we follow to help adults interested in the Catholic Faith learn about our community and beliefs and, if they desire, to become members of the Catholic Church. Our program began in September with several adults who continue to meet each Sunday for prayer, reflection, and formation. Please pray for them on this journey of faith. Also, if you, or someone you know, would like to join this group, please contact Fr. Lawson soon ( [robertlawson@archstl.org](mailto:robertlawson@archstl.org) ).

In today's Gospel, Jesus tells his disciples, "Whoever divorces his wife and marries another commits adultery against her; and, if she divorces her husband and marries another, she commits adultery." At times of despair, our neighbors in need may be at the point where divorce seems inevitable because they blame each other for their problems. When we are able to assist them with their utility bills and rent, they have time to realize they really belong together. It is always amazing to watch the ways that Jesus works through us. Thank you for your support in all we do.

This weekend's Sacred  
Scripture readings:

**Sunday, October 6:**  
Ritual Song: No. 1273  
Pray Together: Page 41

*"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." Genesis 2:19*

The creation story reminds us of two important points. First, from the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind; it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these truths for future generations.

# THE DETAILED FACTS ON AMENDMENT 3

**Amendment 3 goes far beyond Roe v. Wade. Read what it does.**

## **1. Put Women at Risk**

Health care professional ≠ medical doctor. **A medical doctor would not be required to approve or perform any abortions.** A health care professional in Missouri includes nurses, pharmacists, physician assistants, and dental hygienists.

## **2. Prohibit any regulation of abortion**

Amendment 3 would invalidate any existing laws and prohibit new laws that voters on both sides of the abortion issue support, **including health and safety laws that protect women.**

## **3. Shield negligent health care professionals**

Amendment 3 prohibits any person from being penalized or prosecuted, regardless of the outcome of actions associated with “reproductive” health. **A health care professional could be directly responsible for the harm or death of a woman during an abortion, or the harm or death of a wanted child during delivery, and not be held liable for their actions.** Women and families would not be allowed to sue the negligent person or organization, nor could the government prosecute them.

## **4. Permit Abortion even when the preborn child can feel pain**

Allows abortion for any reason before “viability,” defined in the Amendment as a fetus being able to sustain life outside the womb without extraordinary medical measures. **A preborn child can survive outside the womb at 22-24 weeks of pregnancy (approximately 6 months).** Science has shown that a preborn child can feel pain as early as 12 weeks.

## **5. Eliminate parental notification or consent**

Amendment 3 would invalidate the current law that requires parental notification and consent for a minor to have an abortion.

## **6. Allow Abortion at any time for any reason**

Amendment 3 would allow abortions for any physical or mental health reasons. **This even allows post-viability, extremely late term abortions for treatable, temporary health concerns.** Emotional health would justify an abortion when a child could survive outside the womb.

## **7. Open the Door to Taxpayer-funded abortions**

Should Amendment 3 be enshrined in the Missouri constitution, **well-funded, out-of-state groups could sue Missouri to force taxpayer funding of abortions,** which is already occurring in Michigan.

### WEDDING BANNERS I, II, AND III

There is a promise of marriage between Kevin Watkins and Rachel Ampleman to take place at St. Raphael the Archangel on Saturday, October 12, 2024.

We would like to welcome the following new member to our church. We hope you know that we are here for you. There are several committees and clubs that you might like to join where you can meet other parishioners. As a faith community, we like to help others in our area and those less fortunate than we are. Please join us at Mass and we hope you will consider joining us in future church activities. Again, welcome to St. Raphael the Archangel Parish; we are happy to have you join us.

The Pro-Abortion Initiative Petition seeks to amend the Missouri Constitution and legalize abortion throughout ALL stages of pregnancy.

## What it does.....

### THREATENS PARENTAL RIGHTS

By using "person" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

### PUTS WOMEN AT RISK

Current Missouri laws\* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed and to administer medication abortions in person in case of complications for the woman. These health and safety standards could be seen as an "interference" or "delay" and be eliminated, making it even less safe for women seeking an abortion.

### ALLOWS FOR ABORTIONS INTO THE SECOND AND THIRD TRIMESTER

The amendment allows abortions at any time to protect not only the physical, but also the mental health of the woman. This means that a health care provider could justify a late-term abortion due to a woman's "emotional, psychological, [and] familial" concerns\*\*. An abortion provider would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

### IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this petition.

## What it says.....

1. This Section shall be known as "The Right to Reproductive Freedom Initiative."

2. The Government shall not **deny or infringe upon a person's fundamental right to reproductive freedom...**including but not limited to prenatal care, childbirth, postpartum care, birth control, abortion care, **miscarriage care**, and respectful birthing conditions.

3. The right to reproductive freedom shall not be denied, interfered with, delayed, or otherwise restricted unless the Government demonstrates that such action is justified by a compelling governmental interest achieved by the least restrictive means. Any denial, interference, delay, or restriction of the right to reproductive freedom shall be presumed invalid.

4. Notwithstanding subsection 3 of this Section, the general assembly may enact laws that regulate the provision of abortion after Fetal Viability provided that under no circumstance shall the Government deny, interfere with, delay, or otherwise restrict an abortion that in the good faith of a treating health care professional is needed to protect the life or physical or mental health of the pregnant person.

...

8. For purposes of this Section, the following terms mean:

(1) "Fetal Viability", the point in pregnancy when, in the good faith judgment of a treating health care professional and based on the particular facts of the case, there is a significant likelihood of the fetus's sustained survival outside the uterus without the application of extraordinary medical measures.

\* Missouri Revised Statutes, Sections 188.010 - 188.375 \*\* Based on Doe v. Bolton
